Purpose: To provide a reliable and coordinated array of service activities

Goals: The goals are comprised of three broad outcome domains in the continuum of child welfare services: safety, permanency, and child and family well-being. In administering and conducting the service activities, the safety of children to be served shall be of paramount concern. Service activities shall be based on the principles of family-centered, strengths/needs-based practice.

Target Population:

1. DHS children together with their biological or adoptive parents or other caretakers who are reported to the Department as harmed or threatened with harm by a family member.
2. DHS children together with their foster parents when services are needed to preserve an out-of-home placement.

Service Activities (settings may include in-home, community, individualized, or group):

1. Assessment activities as requested by CWS staff;
2. Individualized Program Planning (IPP);
3. Counseling for families and children to assist with problem solving, communication, coping, & behavior management;
4. Crisis intervention (counseling, role modeling, parenting, & support) 24/7 to prevent placement or support reunification;
5. Visitation (supervised & unsupervised) to include transportation of the children & sibling visits;
6. Child-related skills building such as parenting education;
7. Parental life skills and support;
8. Clinical therapy not to exceed 10% of funding amount for each geographical area; and
9. Pre- and post-permanency services (EHI & WHI).
10. Transportation
11. Voluntary case management

Geographic Coverage: EHI, WHI, Kauai, Maui, and Oahu (see MISS & LISS for Molokai and Lanai).

DOMESTIC VIOLENCE SHELTER AND SUPPORT SERVICES

SERVICE AREA	POS PROGRAM SPECIALISTS	PHONE
EHl & Oahu	Suzanne Hull	586-5669
WHI, Kauai, Maui, Molokai	Suzanne Hull	586-5669

Purpose: To provide a safe, temporary shelter as well as supportive services that will afford victims the opportunity to break the cycle of violence in their lives.

- Goals:**
1. To prevent or decrease the occurrence or reoccurrence of domestic violence.
 2. To provide support to actual and potential victims of domestic violence.

Target Population: Family members who are at risk of, or who have been victims of, domestic violence.

Service Activities:

1. 24-hour hotline;
2. Emergency shelter;
3. Individual services for adults and children;
4. Group sessions;
5. Socialization activities; and
6. Outreach, follow-up, and transportation as resources permit.

GEOGRAPHIC COVERAGE: Statewide.

EMERGENCY SHELTER HOMES FOR CHILDREN

POS Program Specialist: Suzanne Hull (Phone 586-5669).

Purpose: Emergency shelter services up to a maximum of thirty days per emergency shelter

- Goals:**
1. To prevent abuse, neglect or exploitation of children by providing emergency crisis intervention, treatment, and counseling services; and
 2. To prevent unnecessary family breakup or prolonged separation of children from parents by providing services aimed at strengthening family functioning.

Target Population: Children needing emergency shelter. Priority given to children reported to DHS for abuse, neglect, or threatened harm.

Service Activities:

Emergency shelter services are provided through foster boarding homes or child caring institutions for a maximum of 30 days. Exceptions to the 30-day limit are at the discretion of DHS in consultation with the facility. Services for DHS youth are coordinated with the child and family's service plan and include:

1. Basic Sanctuary Services (i.e. food, shelter, 24-hour supervision);
2. Assessment and Support and Counseling;
3. Crisis intervention; and
4. Additional difficulty of care supervision.

When a child requires additional difficulty of care supervision, the provider will maintain the child in the shelter for at least 24 hours with additional staffing if necessary so the DHS worker can make alternative plans for the child.

ENHANCED HEALTHY START

POS Program Specialist: Rex Shilo (Phone 586-5673)

Purpose: The STATE is committed to a safe, healthy, and nurturing community that a) values all families as productive and contributing members and b) provides opportunities for actualization of their highest potential including the formation and maintenance of two-parent families as a cornerstone for safe, healthy, and nurturing communities.

Goals:

1. Promote the formation and maintenance of two-parent families through family strengthening initiatives.
2. Prevent unwanted pregnancies.

Target Population:

1. Families with children aged 0-one year of age upon referral who are at low to moderate risk of child abuse and neglect and have been referred by Child Welfare Services (CWS) to a contracted Diversion Services provider.
2. Families with children aged 0-one year of age upon referral who are at moderate to high risk of child abuse and neglect and have been accepted by CWS for direct services by CWS staff or a private contractor.

Service Activities:

1. Standard Healthy Start screening and assessment of risk and needs of all CWS and Diversion families
2. Development of an individualized service plan
3. Home visits to follow up on information and referral activities and family and child development issues
4. Home visits and community liaison work
5. "Treatment readiness" counseling and extended counseling until existing community resources can accommodate the family
6. Identification, assessment, and monitoring of the health status and health care needs
7. Referral of the family to the medical home and other appropriate community health resources
8. Child development information and training, parenting skills, and therapeutic interventions

FAMILY STRENGTHENING SERVICES

POS Program Specialist: Trisha Chung (Phone 586-5748).

Purpose: Families who have been determined not to be appropriate for child welfare services may benefit from short-term, focused assistance. This program will provide short-term outreach and follow-up services and linkages to appropriate private or public resources.

Goals: To provide and arrange voluntary services to strengthen and divert families from the CPS system when actual or threatened harm is assessed to be low to moderate.

Target Population:

Families whose children are reported to the Department as harmed or threatened with harm by a family member and who are assessed as not appropriate for CPS intervention.

Service Activities:

1. Information and Referral
2. Assistance to Community Resources
3. Follow-up Contact
4. Individual/Family Counseling
5. Problem Solving Counseling
6. Short-term Social Services for up to 6 months

HAWAII ADVOCATE PROGRAM

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose: To provide humane community-based alternative programs for the care and protection of individuals who are, have been, or may be subject to compulsory care, supervision, treatment and/or incarceration in public or private institutions.

Goals:

1. Reduce additional reported and confirmed child abuse/neglect incidences. Reduce recidivism.
2. Reduce/prevent out-of-home placements.
3. Increase the number of youth who successfully complete their probation terms.
4. Improve the rate of school attendance of youth serviced by the program and/or assist with employment.
5. Improve family functioning.
6. Prevent out-of-wedlock teen pregnancies.
7. Reduce the number of youths involved in Family Court due to violations of Chapter 571 of Hawaii Revised Statutes (HRS)

Target Population: Families with children from ages 5 years through age 17 years:

1. Families referred to CWS that have been assessed to be in need of supportive services but are not accepted for a child protective services investigation.
2. Families assessed and confirmed for child abuse or neglect by CES staff and needing services to prevent the out-of-home placement of a child or to support reunification of a child who has been returned home.

Service Activities:

1. Needs-based, strength-based assessment.
2. Individual youth and/or family hours
3. Group activities
4. Supported youth option
5. Child/family team modality
6. Community linkages
7. 24 hour staff accessibility and crisis/emergency intervention
8. Outreach
9. Discharge planning

ICPC (Interstate Compact on the Placement of Children)

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose: Ensure completion of home studies and provision of courtesy supervision services on Oahu for children under another State's legal jurisdiction who are being considered for placement or who are placed into Hawaii under the Interstate Compact on the Placement of Children.

Goals:

1. To preserve, rehabilitate or reunite families and prevent abuse/neglect or further abuse/neglect of youths unable to protect their own interest.
2. Prevent unnecessary family breakup or prolonged separation of children from parents by providing services aimed at strengthening family functioning.
3. Achieve permanency and security in a substitute home for children deprived of adequate parenting and care from their own natural families by providing the youngsters with adoption, guardianship, long-term relative placement, or long-term foster care.

Target Population: Children who are being considered for placement on Oahu or who are placed in Hawaii by another State under the provision of the ICPC.

Service Activities:

1. Ensuring that the provisions of HRS 350-E, ICPC, are carried out for children under another State's legal jurisdiction.
2. Acting on behalf of DHS, complete written home studies within thirty working days.
3. Acting on behalf of DHS, provide provision of courtesy supervision services for children under another State's jurisdiction placed on Oahu, including:
 - a. Supervision of the child's placement.
 - b. Crisis intervention services as needed.
 - c. Individual and family counseling as appropriate.
 - d. Information and referral services.
 - e. Supportive service and advocacy.
 - f. Monitoring of the family's compliance with the service plan.
 - g. Emergency placements of children away from their caretakers.
 - h. Coordination of case plans with the other State's local unit.
 - i. Provision of child protective services.
 - j. Arranging for the child's return to the other State when a placement fails.
 - k. Provision of written, quarterly progress reports to the other State.
4. Maintaining individual case records and completing ICPC forms, as appropriate.

Geographic Coverage: Oahu

PROVIDER: Catholic Charities
Phone: 536-1794
Fax: 599-8761

INDEPENDENT LIVING PROGRAM

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose: To provide a program to ensure that children who are likely to remain in out of home care will have independent living skills.

- Goals:**
1. Achieve age and developmentally appropriate life skill levels.
 2. For youths age 16-19, the following goals are also included:
 - a. Achieve and maintain economic self support to prevent, reduce or eliminate dependency
 - b. Achieve and maintain self-sufficiency
 - c. Achieve emancipation to independent adulthood

Target Population:

1. Youths age 12 years and up living in out of home care under the placement responsibility of the Department; and
2. Youths who have exited foster care at age 18 while under DHS placement responsibility.

Service Activities (individualized as well as in ongoing & short-term goal directed groups):

1. Assessment of youths' life skills;
2. Written ILP plan updated at least every six (6) months;
3. Educational components in accordance with the youths' ILP plans (topics such as interpersonal dynamics, high risk behavior, health & hygiene, pregnancy/childbirth/parenting, \$ mgmt, & community resources);
4. High school and higher education support services;
5. Individual IL counseling;
6. Foster parent outreach, training, & support;
7. Development of life skills;
8. Day-to-day living experience;
9. Development of job readiness capabilities;
10. Emergency housing assistance;
11. Assessment and exploration of vocation/employment choices;
12. Liaison with community resources for youths (e.g., employment, health);
13. Post-program counseling and support services to assist the youths' transition to independent living through age 21;
14. Provision of ongoing and short-term goal directed groups;
15. Mentoring services (statewide except Oahu);
16. Transitional supervised living arrangements for youths aged 17 through 19 (not available on all islands);
17. Rental support or transitional housing for youths aged 18 through 21 to prevent homelessness for former foster youths (not available on all islands);
18. Stipends for youths for ILP participation (not available on all islands).

INFANT/TODDLER FOSTER CARE

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose:

1. Specialized supervision and care for drug exposed/other medically fragile infants in specially trained foster homes on Oahu. Intensive supervision and services are to be provided until the infant is able to be reunified with his/her family or be placed for adoption or in other substitute placement which requires less intensive care. The infant can remain in the program up to age 3 years.
2. Emergency shelter home services for infants (interim foster care) for up to 30 days.

Target Population:

Children age birth through three years that are under the placement responsibility of DHS and need:

1. Specialized supervision and care because of complex medical conditions;
2. Specialized supervision and care because they are at risk for medical complications or developmental delays;
3. Interim foster care (up to 30 days).

Service Activities:

1. Provision of 24-hour specialized care.
2. Meals and adequate living and sleeping accommodations.
3. Transportation for essential medical/other collateral services required by the infant.
4. Collateral contacts with medical personnel & other community resources as needed.
5. Development of an individualized, comprehensive treatment plan.
6. Foster parent recruitment, screening, development, licensing, and specialized training.
7. Monitoring and supervision of the infant's care in the foster home and regular follow-up to assure that involved parties are following the prescribed plan and to gauge the success of the plan's implementation.
8. Ongoing professional counseling, consultation, and supportive services to the foster parents, including regular home visits with the foster parents, support meetings, and planned in-service training. Crisis intervention services as needed to assist the foster parent in serving the infant.
9. Arranging medical care or other consultant services.
10. Counseling and support services to natural families or designated caregivers.
11. Coordination of visits with natural families or designated caregivers.
12. Respite care for foster parents.

Geographic Coverage: Oahu

PROVIDER: Catholic Charities

Phone: 536-1794

Fax: 599-8761

KOKUA OHANA PROJECT

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose: Recruitment of Native Hawaiian foster families and to provide support to birth families under investigation by Child Welfare Services.

- Goals:**
1. Increase the number of general licensed Native Hawaiian foster families who are willing and able to care for children who are under the department's placement responsibility.
 2. Strengthen the quality of family foster care services by providing direct support to Native Hawaiian foster families and birth families under investigation.

Target Population: Native Hawaiian foster families who are willing and able to provide temporary out-of-home living placements for children who are reported to the Department for abuse, neglect, or threat of harm by a family member. Native Hawaiian birth parents who have been reported to the Department for abuse, neglect, or threat of harm of their child(ren).

Service Activity:

1. Partners in Development Foundation (PIDF) Foster Parent Warmth Line
2. Canvassing of Native Hawaiians in public areas and neighborhoods
3. Conducting speaking engagements with Native Hawaiian church congregations and Community-based Organizations.
4. Training and support Neighborhood Outreach/Support Committees (Kokua 'Ohana Hui)
5. The Kokua Ohana Huis will recruit and support new foster parents and birth families under investigation by Child Welfare Services and will also establish and operate Neighborhood Foster Homes.

Geographic Coverage: Statewide

Provider: Partners in Development Foundation

POS Program Specialist: Rex Shilo (Phone 586-5673)

Purpose: To provide a flexible, seamless, coordinated array of service activities with a single point of entry that will enhance service delivery in areas with limited resources.

Goals: The goals are comprised of three broad outcome domains in the continuum of child welfare services: safety, permanency, and child and family well-being. In administering and conducting the service activities, the safety of children to be served shall be of paramount concern. Service activities shall be based on the principles of family-centered, strengths/needs-based practice.

Target Populations:

1. Children who are reported to DHS as harmed or threatened with harm by a family member;
2. Families with children at risk of child abuse or neglect that are self-referred or referred by DHS or other professional agencies;
3. Foster parents when services are needed to preserve an out-of-home placement; and
4. Families who have adopted or assumed legal guardianship or permanent custody of children under DHS custody.
5. CWS referrals have 1st priority.

Service Activities (settings may include in-home, community, individualized, or group):

1. Assessment activities as requested by CWS staff;
2. Child abuse & neglect diversion services (See Diversion Services in this Directory. Note that LISS diversion services are not limited to 3 weeks);
3. Individualized Program Planning (IPP);
4. Counseling for families and children to assist with problem solving, communication, coping, & behavior management;
5. Crisis intervention (counseling, role modeling, parenting, & support) 24/7 to prevent placement or support reunification;
6. Visitation (supervised & unsupervised) to include transportation of children & sibling visits;
7. Child-related skills building such as parenting education;
8. Parental life skills and support;
9. Coordination activities;
10. Child care to facilitate participation in service activities and court hearings;
11. Pre- and post-permanency activities for children and for permanency parents; and
12. Clinical therapy not to exceed 10% of funding.

NEIGHBORHOOD PLACES

POS Program Specialist: Rex Shilo (586-5673)

Purpose: Neighborhood Places were established under Act 302 of the 1996 Hawaii State Legislature under the guidance of the Blueprint for Change Task Force to develop a family-centered, community-driven, social service delivery model. The Neighborhood Places were created as consortiums of public and private agencies to deliver coordinated services to the target population.

Goals:

1. To strengthen and stabilize families by providing community-based services that promote the well-being of children and families.
2. To protect children from harm and help families in crisis.

Target Population:

1. Families with children who are at risk of child abuse and neglect but are not known to CPS and are in need of services.
2. Families referred to CPS that have been assessed to be in need of support but are not accepted for CPS investigation.
3. Families assessed by CPS with unconfirmed findings.
4. Families assessed by CPS and confirmed for child abuse/neglect by CPS but needing no more than 6 months of service after the CPS case is closed.

Service Activities:

1. Information and referral;
2. Assessment and case management;
3. Parent support groups;
4. Family conferencing & problem-solving activities;
5. Parenting education;
6. Family and community outreach; and
7. Community workshops, training, and technical assistance;

OHANA CONFERENCING

POS Program Specialist: Trisha Chung (586-5748)

Purpose:

To provide families the opportunity to devise and implement an individualized plan and agreement through the use of a family group decision model called Ohana Conferences.

To provide youth who are transitioning from foster or permanent care into independent living. (Youth Circles)

Goals:

The goals are comprised of three broad outcome domains in the continuum of child welfare services: safety, permanency, and child and family well-being. In administering and conducting the service activities, the safety of children to be served shall of paramount concern. Service activities shall be based on the principles of family-centered, strengths/needs-based practice.

Target Population:

For Ohana Conferencing

Children who are reported to the Department as harmed or threatened with harm by a family member.

For Youth Circles

Youth (16+ years old) in foster care or permanent care.

Service Activities:

1. Accept referrals from Department staff;
2. Convene the conference;
3. Facilitate the conference;
4. Assist with the individualized family agreement plan, as developed by the family and the DHS social worker, at the conclusion of the conference;
5. Recruit and train community facilitators and coordinators;
6. Train CWS staff and community on the Ohana Conferencing Model; and
7. Facilitate adoption or legal guardianship proceedings for children who are not the Department's placement responsibility under HRS 587.
8. Ohana Conference informational services to the Family Court.
9. Ohana Conference informational services to the community.

PRIDE (Recruitment, Training & Certification of Foster Parents & Approval of Adoptive Homes)

POS Program Specialist: Suzanne Hull (Phone 586-5669)

Purpose: To recruit, train and certify/approve foster parents and adoptive parents for children who have been abused, neglected or threatened with harm by their parents with an emphasize on families who can foster or adopt medically fragile infants who have been drug exposed, older children, teenagers, children with serious social, emotional mental or behavioral problems or sibling groups.

Goals:

1. Increase the number of general licensed foster parents and approved adoptive parents who are willing and able to care for children who are under the department's placement responsibility.
2. Strengthen the quality of family foster care and adoption services by providing a standardized, consistent framework for the competency-based training/preparation and selection of foster parents and adoptive parents.

Target Population: Foster and adoptive home applicants who are willing and able to provide temporary and permanent out of home living placements for children who are reported to the Department for abuse, neglect, or threat of harm by a family member.

Service Activity:

1. Recruitment, training, and assessment for all prospective foster parents and adoptive parents as required by the Department for families seeking general licensure/approval. Interested special licensed foster families that do not want to become general licensed may attend as space is available.
2. Training consists of 18 hours of the Foster PRIDE/Adopt PRIDE Curriculum. Training is done by a team consisting of a child welfare professional and an experienced foster or adoptive parent.
3. The family assessment includes successful completion of the training program, participant worksheets, trainer notes, at-home consultation, and compliance with certification requirements.

PSYCHOLOGICAL EVALUATION AND MULTI-DISCIPLINARY TEAM SERVICES

POS Program Specialist: Suzanne Hull (Phone 586-5669).

Purpose: Psychological Evaluations

3. Preparation for and participation in judicial proceedings; and
4. Development of the case plan.

Multidisciplinary Team Services

1. To provide consultative services for DHS staff regarding medical, mental health, legal, and psychosocial issues related to intervention, planning and service provision; and
2. Assist with diagnostic services for families and children.

Goals:

1. Ensure the safety of children;
2. Make informed permanency decisions; and
3. Enhance the design of services.

Target Population:

1. Families and children receiving child welfare services from the Department and referred for psychological services.
2. DHS CWS social workers who request diagnostic and consultative services for clients.

Service Activities: Psychological Evaluations shall:

1. Coordination of psychological evaluations including:
 - a. Intake of the request from the DHS social worker;
 - b. Referral to a psychologist for evaluation;
 - c. Review and forwarding of completed reports to the DHS social worker; &
 - d. Clarification of reports as requested by DHS social workers.
2. Psychological Evaluation which may include:
 - Thought content/processes (fund of knowledge, intelligence, cognitive processing, memory);
 - Insight;
 - Judgment;
 - Personality;
 - Parenting ability;
 - Parent-child relationship;
 - Clinical formulation;
 - Diagnostic impressions;
 - Summary of strengths and concerns; and
 - Strength-based recommendations with suggested goals and measurable objectives.

3. Court Testimony:

When called, the examining professionals testify as qualified child abuse and neglect experts. Testimony is based on the evaluations conducted.

Service Activities: Multidisciplinary Team Conferences shall:

Accept referrals from CWS workers in accordance with the CWS procedure manual.

Determine continued risk for abuse or neglect & the progress of the family.

Identify treatment needs and appropriate referrals.

Provide a written preliminary report at the end of the conference according to CWS procedures.

Review child deaths that may be related to child abuse or neglect, particularly when there are other siblings in the family who may be at risk.

1. Individual Consultation to DHS Social Workers

Upon request, any member of the multidisciplinary team may provide consultation to the DHS social worker regarding:

- a. Whether further harm will likely befall the child;
- b. The family's motivation and capacity for change;
- c. Options for protecting the child; and
- d. Treatment needs of family members and sources of appropriate referrals.

2. Medical Case Record Reviews

3. Medical and Nursing Consultations and Assessments

4. Court Testimony

RECRUITMENT OF FOSTER and ADOPTIVE HOMES FOR DIFFICULT TO PLACE CHILDREN

POS Program Specialist: Suzanne Hull (Phone 586-5669)

Purpose: This project will provide a systematic approach to the recruitment of foster/adoptive families for older children in foster care and others who are difficult to place because of special needs or circumstances. The project requires a faith-based child placing organization with ready access to networks of existing churches and the ability to provide training, certification and actual placement tailored to the specific needs of the recruiters, churches and foster/adoptive families and support for foster and adoptive homes for difficult to place foster children.

Goals: To recruit 12 foster/adoptive families for older children in foster care and others who are difficult to place because of special needs or circumstances. The churches that the recruited families belong to will provide a forum and organize on-going support. HOPE Inc will also provide on-going education and support services to these families extending to their provision of PRIDE and other training, the home study, and beyond the certification and placement process.

Target Population: Children awaiting foster/adoptive homes and foster/adoptive families.

Service Activities:

1. Address church congregations to recruit foster/adoptive families for difficult to place children.
2. Distribute approved brochures to churches.
3. Recruit foster/adoptive families.
4. Provide PRIDE and additional training to foster/adoptive families.
5. Manage the completion of certification requirements for recruited families.
6. Complete home studies to support certification.
7. Facilitate on-going monthly support group for recruited families.

(Intra-Familial)
SEXUAL ABUSE TREATMENT AND SERVICES

POS Program Specialist: Trisha Chung (Phone 586-5748)

Purpose: To provide comprehensive treatment to families whose children are victims of intra-familial sex abuse.

- Goals:**
1. To prevent re-abuse or risk of sexual abuse of the child by parent/caretaker.
 2. To prevent unnecessary out of home placement by removing the offender.

Target Population: Families whose children are victims of intra-familial sex abuse. This includes victims, adult and juvenile offenders, and non-offending spouses. Population also includes any member of the child's family currently living in the same residence or recently known to have been residing with the child whether by marriage or social role, i.e., parent, step-parent, parent's boyfriend/girlfriend, sibling, grandparent, in-law, cousin, "hanai" relative, common-law parent.

Service Activities:

1. Individual therapy for sex offenders, non-offending spouses, and children.
2. Conjoint or dyad treatment for spouses, and for non-offending spouses and child victims.
3. Family therapy when the re-entry of the offender into the family home is agreed upon by all family members.
4. Group treatment including groups for offenders, non-abusive spouses, pre-teen victims, and teen victims. Groups are open so that referrals can be made at any point in time.
5. Sibling therapy.
6. Play therapy for young children who are developmentally unable to participate in individual or group treatment.
7. Self-help support groups focusing on self-esteem, trust, and socialization skills. Groups will also provide structured aftercare for offenders to reinforce gains made in treatment.

SUBSTANCE ABUSE ASSESSMENT & MONITORING SYSTEM

POS Program Specialist: Suzanne Hull (Phone 586-5669)

Goals: To provide a consolidated and enhanced substance abuse assessment and monitoring system which will assist the Department to:

1. Ensure the safety of children;
2. Make informed permanency decisions; and
3. Enhance monitoring of child and family well-being and service compliance.

Target Group:

1. Clients **who are** under the jurisdiction and supervision of the Family Court and, therefore, **are not** subject to the requirements of the Department of Health regarding required confirmatory testing and use of a Medical Review Officer; and
2. Clients who **are not** under the jurisdiction and supervision of the Family Court and, therefore, **are** subject to the requirements of the Department of Health regarding required confirmatory testing and use of a Medical Review Officer.

Service Activities:

1. Intake

Client is referred by the DHS worker for assessment and/or ongoing monitoring.

2. Assessment

Assessments are conducted by a certified substance abuse counselor (CSAC) or other qualified individual and are based on client self-reporting and information provided by the DHS worker such as court reports, psychological evaluation summaries, previous positive urine or blood tests, arrest records, and assessor observations.

A completed assessment includes:

- Diagnosis or clinical impression based on the DSM IV;
- Type of drug used;
- Description of impairment;
- Treatment recommendation; and
- Monitoring recommendation.

3. Monitoring

Ongoing monitoring may be conducted as often as once a week. Positive tests for clients who are not court ordered are confirmed by lab testing and reviewed by a Medical Review Officer (MRO).

4. Testing

- a. Client picture IDs are required at the testing sites.
- b. Testing includes the following:
 - amphetamines
 - cocaine
 - marijuana
 - opiates
 - phencyclidine
- c. All urine tests are observed.
- d. Same day testing may be requested.
- e. A breathalyzer is given to each client to test for alcohol use.
- f. Positive tests and no-show reports are sent to the DHS social worker within 2-3 business days after the test.

SUBSTANCE ABUSE TREATMENT SERVICES

POS Program Specialist: Suzanne Hull (Phone 586-5669)

Goals: The goals are comprised of three broad outcome domains in the continuum of child welfare services: safety, permanency, and child and family well-being.

Target Group: Women on Oahu who are child welfare service clients, who are in need of residential substance abuse treatment, and whose children require specialized services while their mothers are in treatment.

Service Activities:

NOTE: Funding under this contract provides two (2) beds per year for women and for their children who are DHS CWS clients. These beds are in addition to beds funded by DOH ADAD that are also available to DHS CWS women and their children.

Residential Program:

1. Twenty-four (24) hours/day, 7 days/week non-medical, non-acute care and support in a residential treatment facility;
2. Evaluation, treatment, monitoring, and case management;
3. Twenty-five (25) hours/week of face-to-face activities such as group counseling, education, skill building, recreational therapy, and family services; and
4. One (1) hour/week of individual counseling.

Children's Services:

1. Residential care and support with the mother;
2. Therapeutic nursery services;
3. Individualized family service planning (IFSP) including health & developmental assessment of each child;
4. Referrals to other agencies to implement the child's IFSP;
5. Case management; and
6. Collaboration with DHS CPS.

TEEN DATING VIOLENCE

POS Program Specialist: Suzanne Hull (Phone 586-5669)

Goals:

1. To prevent or decrease the occurrence or reoccurrence of dating violence; and
2. To provide support to actual and potential victims of dating violence.

Target Group:

Youths who are at risk of, or who have been victims of, dating violence and their families.

Service Activities:

1. Outreach

Outreach is done by working with the police and school personnel in the high and intermediate school levels to inform and educate students about dating violence and the need to end such practices.

2. Individual Services For Victims Of Dating Violence

This includes services provided by trained staff to deal with specific problems, needs, and circumstances of individual clients. The following services are offered to youths and their families:

- a. 24-hour hotline to provide crisis assistance, information and referral, screening, and preliminary assessment for intake into the program;
- b. Assessment of situation and needs within 24 hours of case acceptance;
- c. Case management which includes:
 - education about the cycle and dynamics of abuse
 - goal setting, including safety and program planning
 - information and referral including financial and health care services
 - arrangements for transportation and educational needs
 - advocacy, legal or other

ADULT CHORE SERVICES

POS Program Specialist: Rex Shilo (Phone 586-5673)

Purpose: To provide housekeeping activities necessary to enable recipients to maintain a stable living arrangement in health and safety as independently as possible.

Goal:

1. To promote self-sufficiency by providing services that will help to achieve, restore, or maintain independent living and self-direction.
2. To prevent or remedy abuse, neglect, or exploitation by providing services to dependent adults during a protective service period.
3. To prevent or reduce premature or inappropriate institutional care through the provision of home-based care which would allow the recipient to remain in or return home.

Target Population: Adults age 18 years and older who are unable to independently perform essential housekeeping activities because of physical or mental disability or crises in the home. Preference is given to adult protection situations.

Service Activities:

1. Routine housekeeping; and
2. Care of clothing.

Where #1 and #2 are provided, the following may also be provided:

- a. Marketing and shopping for household supplies and personal essentials;
- b. Light yard work;
- c. Simple home repairs;
- d. Meal preparation;
- e. Running errands (e.g., paying bills, picking up medication);
- f. Escorting to medical programs; and
- g. Minimal assistance with bathing, dressing, and grooming.

ADULT DAY CARE SERVICES

POS Program Specialist: Rex Shilo (Phone 586-5673)

Purpose: To provide disabled adults supportive services in a protective setting for part of a day and specified activities by an organized program.

- Goals:**
1. Prevent the premature institutionalization of elderly and disabled adults by enabling family caregivers to continue caring for individuals at home with the assistance of adult day care.
 2. Prevent or remedy abuse or neglect of a disabled adult by providing adult day care.

Target Population: Disabled individuals age 18 and over who are in need of supportive services provided in a protective setting for all or part of a day. Adults must be determined eligible by DHS.

Service Activities: All Adult Day Care centers provide full or partial day care. In general, the following services are available to eligible adults including those with minimal English speaking abilities and physical limitations. The specific programs offered by each provider vary in accordance with available resources.

1. Development and monitoring of individual service plans;
2. Provision of leisure, recreational, and socialization activities;
3. Provision of individual or group physical conditioning exercises and simple calisthenics, constructive games, or crafts that maximize participants' physical and mental capacities;
4. Provision of reminders, encouragement, and assistance by staff to maintain or improve personal hygiene, self-care, and attention to health care needs including staff supervision of self-administered oral and non-oral medications;
5. Counseling to participants and their families to promote individual and family decision-making and problem solving, awareness of appropriate social services and health/medical care resources in the community, and referral to community services as needed.

ADULT PERSONAL CARE SERVICES

POS Program Specialist: Rex Shilo (Phone 586-5673)

Purpose: To provide personal care services to adults age 18 years and over in Maui County.

- Goals:**
1. To promote self-sufficiency by providing services that will help to achieve, restore, or maintain independent living and self-direction.
 2. To prevent or remedy abuse or neglect of a disabled individual by providing in-home services.
 3. To prevent or reduce premature or inappropriate institutionalization by enabling a disabled individual to remain at home or to return home.

Target Population:

- Adults age 18 years and older on Maui who have a chronic or acute condition including cognitive or emotional problems which impair the individual's ability to perform activities of daily living.
- Recipients must require up to 4 hours of personal care services to remain at home as determined by a physician, an osteopath, a chiropractor, a registered nurse's evaluation from a program recognized by the Department, or a discharge plan from an acute care, rehabilitation, or nursing facility.
- Recipients must be capable of hiring, supervising, and terminating the personal care attendant, or be under the guardianship or supervision of a person capable of performing those duties on behalf of the individual.

Service Activities:

Personal care services are provided in accordance with a service plan and include one or more of the following activities:

1. Personal hygiene and grooming including bathing, skin care, oral hygiene, hair care, and dressing;
2. Assistance with bowel and bladder care;
3. Assistance with transfers and ambulation;
4. Assistance with medications, wound care, and respiratory care;
5. Assistance with dietary activities; and
6. Assistance with exercise, positioning, and range of motion.

Where any of the above activities are provided, the following activities may also be provided as part of personal care services:

1. Household services (e.g., cleaning);
2. Escort services to medical programs when no other services are available.
